- Separate O-Ringsealed battery compartment with captive screws.
- Potted electronics and boot sealed piston assembly for increased water proofing.
- A2B Switch bracket design allows for easy addition and removal of A2B Switch from boom tip.

LMI Specification

Power supply	Up to 36v	power	20W
Lifting resolution	0.1t	Alarm error	<3%
Protection grade	IP65	Standard	GB7950-99
screen resolution	640*480	Screen dimension	230 mm *150mm *73mm

F1: change duty

Mute

override/bypass

Function: long press into password, short press to move the cursor.

short press to increase the number value

short press to decrease the number value

Enter: to save data and back, or confirm the password, etc. Equal to 'Confirm'

Why Choose Perfect Vision Products?

We Provide Excellent Services.

Our highly responsive customer care will be reaching out to you and addressing your issues, ensuring you've received the best service available in order to achieve maximum uptime of your equipment.

Our Products are Meeting the Harsh Environmental Standards.

The quality of any product comes from its components. With the implementation of high quality materials combined with the best practices applied at every stage of the manufacturing process, our products perform efficiently under the most extreme and harsh environment. We have done extensive tests during the development and manufacturing stages in the real workplace environment. We have challenged many obstacles during our journey to present the best safety solutions to the market.

All Features are Customizable as Required.

Proudly, our solutions have been developed in-house inside our advanced labs with experienced and talented engineers and researchers. We've got the know how knowledge. Whether you are looking for simple modifications in the system, adding more features, or even looking to integrate with other solutions, the R&D department at Perfect Vision will give their maximum effort and support to satisfy your requirements and get you up and running.

We Offer Competitive Prices.

The relationship between price and quality is controversial. Customers usually tend to believe that high price is a signal of high quality, but this is not always the actual case. Our innovative way of work has enabled us to achieve exceptional quality products equipped with top-notch customer services while keeping the pricing competitive.

Technical Training Included.

HSE studies show that lack of proper training is responsible for about 32% of the accidents in the worksites. That is why one of the Perfect Vision's top priorities is to provide appropriate technical training for all the provided safety solutions. Perfect Vision will make sure that all the aspects of its safety solutions are well understood and clear for the personnel in the workplace.

After-Sale Services with 24/7 Customer Support.

Perfect Vision responsibility didn't end when the customers received their products. We deal with our customers as partners. And our unprecedented commitment to support our fellow partners is what makes us different.

Registration Approval Letter
 April 30, 2021

Attention : PERFECT VISION FACTORY

CR Number : 2055202965
Country : Saudi Arabia

We are pleased to inform you that PERFECT VISION FACTORY is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10094294, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for sourcing processes in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to purchase contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unlisted call center +966 (13) 874-2222.

Dawad Sulman Al Nuaies, Supervisor
 Supplier Registration/Qualification Unit
 Supplier Registration/Qualification Unit

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Arriba for the following:
 1. Change of Name / Commercial Registration Number / Address / Owner(s)
 2. Any change of the supplier location
 3. Discontinuation supply of approved commodities (ICOMs and SCATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at: supplierhelpdesk@aramco.com
